2017 Club Champion  
Javier Luna

The 2017 Club title went to a familiar face in the year's last event

Javier Luna came on strong and held on Sunday to take title

### ***Club champ took an early lead and kept it . . .***

**Javier Luna** has been known to put two good rounds of golf together, and that's what it took for him to capture the Fairgrounds Club Championship last month.

Javier shot scores of 60-63—123 to claim the title, after he and **Jon Johnson** entered Sunday's final round tied for the top spot.

Jon, who has won six club majors – one Club Championship -- and has been runner-up seven times, got off to a rough start with a double-bogey on the first hole and fell three strokes back when Javier birdied No. 2.

Jon got within two but double-bogeyed No. 9 to go six strokes down, adding "I had visions of making a fantastic comeback but it wasn't in the cards . . . I birdied No. 18 and Javier bogeyed so the three-stroke wasn't as close as it looked . . . he shot 63 and bogeyed the last three holes." Javier said "the golf gods were on my side."

Jon finished strong, hitting his tee shot on No. 18 only 10 inches from the cup for a birdie to edge **Shawn Chase** for second-place money. There were two flights in the 14-player field with **Greg Varley** winning the second flight (15 handicap and over) with a 152 and **Jim Neal** second at 154.

## ***Sawyer captures Player of the Year honors***

**Mark Sawyer** (low net, first flight in the Club Championship) finished the season with 218 points to claim Player of the Year honors, with **Gloria Murray** at 209.5; Chase 203.5; Varley 194, and **Pat Knittel** 192.

Based on tournament scores, Luna (club champ), Varley (low gross, second flight), Sawyer and **Bill Clarke** (low net, second flight) will represent the club in the 2018 NCGA Zone Championships in Monterey next year.

## ***Two-way tie in Fairgrounds Glow Ball event***

**Tony and Mark Frakes, Kyle Buckhorn and Greg Tognoli** combined for a 9-hole score of 2-under 27 to tie **Shawn and Eric Pedersen, Dylan Ortiz and Chris Willover** for first place, the winner determined by taking scores from the hardest handicap hole.

The Frakes, Buckhorn and Tognoli came from a tournament waiting list but obviously the wait was worth it.
