

August 2021 Newsletter

The Sonoma County Fair will be scaled down this year and be called the "Summer Fun Fest"

We will be closed, but not for long . . .

As most of you know, we will be closing for a brief time during this year's modified Sonoma County Fair, which is being called the "Summer Fun Fest."

We were scheduled to close as of Tuesday, July 27, although we will be open that Monday, July 26. We plan on re-opening Tuesday, Aug. 10.

During that period of time we are closed, our maintenance crew will be working hard -- on greens, bunkers, tees, etc. -- in an effort to make the golf course all the more enjoyable to you to play. Let us know what you think.

This is also a good time for the course to "rest" a little, and be ready to welcome you back Aug. 10. We love to see you Tuesday, Aug. 10, to check things out.
