New look

Our practice green is one of the best in the area, but now that superintendent Jason Cavanaugh has developed a new fringe area, it's even better for golfers . . .

Consider joining our FG club . . .

The Fairgrounds Golf Club, which meets Saturday mornings, is open to men and women and offers a real variety of players, high and low handicaps, and the club is looking for new members. Says club spokesman **Joe Hall**, " We focus on fun and the love of golf."

Besides weekly play, there are four annual "majors", including a club championship. Benefits also include a free small bucket of balls before Saturday play, 10% discount at the Pro-Shop on non-sale items, as well as membership in the Northern California Golf Association (NCGA) where you will be given a true handicap and the benefits of Different Golf Course discounts, gear and merchandise discounts.

Our driving range is covered to shield golfers from wind and rain, and it's lighted so you can hit balls when you can't do it elsewhere. We're open early and late so check us out

Save your game and money at our range . . .

Our driving range, which we feel is one of the best in the county, is open seven days a week, and because we are a lighted facility, you can hit balls until 8:30 at night. The range is open at 6:30 every day, with the exception of Tuesday, when we mow the range and are closed until about 9 a.m.

A recent check showed that not only do we offer a top quality range experience, our prices appear to be the best in the area. Our large basket (84 balls) is just \$10, our small basket (42 balls) is \$6. Other ranges in the area charge from \$7 and \$12 (small/ large) up to \$10 and \$15. One range offers an extra large basket for \$18, which offers 105 balls. Our Tayman Park course in Healdsburg features the same prices we do.

We will be closed for a little while . . .

The Sonoma County Fair is fast approaching (Aug. 3-13), so we will be closed to accommodate the festivities. Our course and range will close starting Saturday, July 29, and will re-open Monday, Aug. 13
