We will be closed July 29-Aug. 13 for the 2023 Sonoma County Fair

...

We'll be back better than ever . . .

The Sonoma County Fair is coming up, which means we will be closing the golf course and driving range for a few days.

The Fair, "Jurassic Jubilee," runs Aug. 3 through 13 with seven days – Aug. 3-6 and Aug. 11-13 – of horse racing. Admission gates are open noon until 9 p.m. each day and the fair will stay open until 10 p.m. Monday through Thursday and 11 p.m. Friday, Saturday and Sunday.

We will re-open for business Monday, Aug. 14.

Closing our golf facility for two weeks gives our crew a chance to work on tees, bunkers as well as sprucing up the entire course. We are also going to aerate the greens to make playing here the best experience possible.

We just got in two big truck-loads of sand for our bunkers. We get very few course complaints but lack of sand is one of them . . . that will change.

We try to make the most of our two-week closure . . . 18-hole courses can shut down 9 holes at a time to accommodate projects while keeping the other 9 open, but we don't have that luxury. So **Jason Cavanaugh** and his crew will be busy making most of this two-week window of opportunity.

Short putts . . .
